

ACCESSORIES

Designed specifically for each Atlas fan, these specialised wall and remote controllers ensure your Atlas fan performs at the highest level.

REMOTE CONTROLS

AQ-REMOTE

- Acqua remote control:
- Four fan buttons: HI, MED, LOW & OFF
- Light on/off and dimming control
- Cradle for wall mounting
- Red Indicator light
- Specifically designed to suit Acqua's unique capacitance values.

DI-ME-REMOTE

- Diane, Kaye and Melody remote control:
- Four fan buttons: HI, MED, LOW & OFF
- Oscillation on/off control
- Cradle for wall mounting
- Specifically designed to suit Diane, Kaye and Melody's unique capacitance values.

WALL CONTROLS

AQ-WALL

- Acqua wall control:
- 3 Speed fan control mechanism
- Light switch
- Specifically designed to suit Acqua's unique capacitance values.

DI-ME-WALL

- Diane, Kaye and Melody wall control:
- 3 Speed fan control mechanism
- Oscillation switch
- Specifically designed to suit Diane, Kaye and Melody's unique capacitance values.
