DIMENSIONS

DC MOTOR 1320MM (52") 4 BLADE CEILING FAN WITH REMOTE CONTROL

FEATURES

- Energy efficient 28.5W brushless quiet DC motor
- Anti-rust die cast aluminium body
- Ultra-quiet operation
- Fully reversible for summer and winter mode from remote
- DLDC1343WR & DLDC1343BR - 24W Tricolour switchable LED Light (3000k, 4000k or 5000k)
- 5 Speed DC remote control with up to 8 Hour timer with reverse function and light off/on (DLDC1343WR & DLDC1343BR only)
- Sealed solid plywood balanced blades
- 1320mm (52") diameter blades
- Hangsure canopy with up to 15° degree angle ceiling rake fitting adjustment
- 12.5° blade pitch for greater air movement
- Extension down-rods including wiring looms, available in 900mm and 1800mm - sold separately
- 6 year warranty (3 year in-home + additional 3 years on the motor only)

INSTALLATION

Installation	By licensed electrician only
Warranty	6 year warranty (3 year in-home + additional 3 years on the motor only)

SPECIFICATIONS

Model name	Lifestyle
Model numbers fan only	DLDC134WR White DLDC134BR Brushed Aluminium
Model numbers with 24W tricolour led light	DLDC1343WR White DLDC1343BR Brushed Aluminium
Power (wattage)	28.5W
Motor	DC
Voltage	220-240V/50Hz
Blade/fan material	Plywood / die cast aluminium
Control	Complete with DC remote control with 5 speed fan setting, including up to 8 hour fan timer, with summer winter reverse function and light off/on (DLDC1343WR & DLDC1343BR only) (battery included)
Installation location	Indoor
Fan diameter	1320mm (52")
Height of fan	315mm
Number of blades	4
Blade degree pitch	12.5°
Summer winter mode	Yes
Hangsure canopy	Up to 15° ceiling rake maximum
Air movement m³/hr	10,200m ³ /hr
Light type	LED
Light wattage	24W
Tricolour	3000K / 4000K / 5000K
CRI	≥80
Beam angle	160°
Dimmable	3 stage step dimming function
Rated LED lamp life	35,000 hours

SHIPPING

Packaging size	L605mm x H285mm x W290mm
Gross weight	8kg
Cubics per carton	0.050CBM
Carton Qty	1 Piece
