### DESCRIPTION

The Estova table lamp combines soft curves and warm finishes to create a stylish, mid-century-inspired accent. Its gently arched antique-gold arm supports a fluted opal shade that diffuses light with a warm, ambient glow. The base and column are crafted from iron finished in a realistic wood-look, offering the organic warmth of timber with the durability of metal. The mix of curved lines, warm tones, and subtle vintage detailing gives the Estova a distinctly mid-century modern aesthetic, updated for contemporary interiors.
