DESCRIPTION

The Farnix range offers a beautifully balanced mix of classic elegance and contemporary refinement. Featuring gently curved arms and tapered fabric shades, these pendants and wall lights create a soft, inviting glow. Available in either nickel matt for a modern, understated look or antique gold for a warmer, more traditional feel, the collection suits a wide range of interiors.

Farnix works especially well in living rooms, dining areas, bedrooms, and hallways—anywhere you want lighting that feels sophisticated without being overstated. The pendants provide a graceful focal point in larger spaces, while the wall lights add subtle ambience and architectural interest.

Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits.
