DESCRIPTION

The Lomira wall light is a compact and stylish lighting solution, featuring a glass detail and integrated LED with a warm white 3000K colour temperature. Available in antique gold, black, or nickel finishes, it offers a subtle yet elegant glow while maintaining an IP44 rating, making it suitable for a range of interior applications. Ideal for use in bathrooms, hallways, bedrooms, and living spaces, Lomira works beautifully as a feature light, beside mirrors, or as ambient wall lighting where a soft, refined look is desired.

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
