LUC.G5-BK83-826

9329501054277

The LUC G series is a recessed in-ground LED luminaire.

The modern design is small and discreet but bright and can therefore optimally illuminate and set the scene for walkways, gardens, and terraces. Directed the light upwards to create an atmospheric highlight on walls or sculptures. It blends flush into the ground and is simple, functional, and available in 3 sizes.

With an operating voltage of 8–26 volt and a water-protected rating of IP65, it is a versatile and safe lighting solution for outdoor areas. Other fixtures in the LUC series can be combined to form a complete outdoor space solution.

A 12 or 24 volt AC transformer is recommended to power up this fixture.

Overview

Family name	Luc
Item Type	Inground Light (G)
Mounting	Recess

Color / Material

Fixture Color 1	Black (BK)
Glass Finish	Matte
Diffuser Colour	Clear
Diffuser Material	Glass

Size

Fixture Diameter (cm)	6.2
Fixture Height (cm)	8.2

Specification

Voltage Input	240V
Wattage (max)	8
Wattage	5W
Globe Type	LED integrated COB
Globe / Light Source qty	1
Globe / Light Source included	Yes
Lumens	450
Color Temperature	Warm White
