LUC SP8-BK83-826

9329501056516

The LUC spike is a directional spot LED luminaire.

This flexible lamp is simple, functional, and available in 3 sizes. Its alignment can be easily adjusted with the flexible swivel. The LUC spike is the ideal choice for highlighting trees, flower beds, facades, sculptures, etc. in all outdoor areas in the dark. With an operating voltage of 8~26 volt and a water-protected rating of IP65, it is a versatile and safe lighting solution for outdoor areas. Other fixtures in the LUC series can be combined to form a complete outdoor space solution.

A 12 or 24 volt AC transformer is recommended to power up this fixture.
