DESCRIPTION

The Malabo LED Bollard is a sleek outdoor lighting solution available in Black, Grey, or Rust, each featuring a durable sand-textured finish. Built with an IP65 rating for all-weather performance, it includes an integrated 3000K LED for warm, uniform illumination. The Malabo offers flexible installation with the choice of 24V or 240V operation, making it ideal for pathways, gardens, and modern landscape designs.

REPLACEMENT WARRANTY

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
