## REUL.27 WOOD

SKU:OL53251/27NAT

The REUL backlit wall sconce in natural timber. The unique rounded triangular shape creates a lasting impression which is sure to impress. A great option for those wanting evenly distributed indirect light, perfect for creating cosy ambience in your living room and bedroom. This fitting features colour temperature switching technology, meaning, the installing electrician can select the preferred colour temperature at time of installation. Crafted from natural materials so each fitting is one of a kind with unique colour variations and natural texture.
