DESCRIPTION

The Ostel exterior wall light features a clean, architectural design with subtle ridged detailing across the aluminium facade. Available in single or twin light options, it offers integrated LED technology with selectable 3CCT from 3000K to 5000K, allowing you to tailor the ambience from warm to cool. Finished in either black or white, Ostel is ideal for illuminating exterior walls, entryways, pathways and patios, while its minimalist form also makes it well suited for indoor use in hallways, stairwells or contemporary living spaces.

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
