DESCRIPTION
The Penros exterior wall light combines durability and modern simplicity, available in one- or two-light options and three versatile colourways. Crafted from premium 316 stainless steel or solid brass, it features integrated LED technology with a warm 3000K glow and an IP65 rating for reliable outdoor performance. Penros can be installed with the back plate to cover an existing hole or without plate for a cleaner finish, making it a flexible choice for any exterior setting.

REPLACEMENT WARRANTY
*3 Years
CARE INSTRUCTIONS
Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface., Do not use strong liquid cleaners, Wipe clean with a dry cloth
