DESCRIPTION

The Pira downlight is a sleek pinhole-style fitting designed for precise, comfortable illumination. Crafted from durable aluminium, it delivers low-glare lighting with a high CRI for true-to-life colour. The integrated LED offers a warm 3000K glow, with power-adjustable functionality to suit different lighting needs. Fully TRIAC dimmable, the Pira provides both flexibility and refined performance for modern interiors.

REPLACEMENT WARRANTY

*5 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
