DESCRIPTION

The Raxa wall light combines Art Deco elegance with contemporary industrial style, offering both aesthetic appeal and functional design. Constructed from aluminium and felt, it features acoustic properties that help absorb sound while emitting a warm 3000K LED glow. The reversible felt plate allows for a flexible colour display, giving you the option to switch between two tones. Available in four stylish combinations—Dijon Orange on Grey, Sage Green on Black, Mocha Brown on Black, and Ash Black on Grey—it enhances modern interiors with texture and warmth.
