Warm White
COLOR KELVIN
3000k
DIMMABLE
No
ELECTRICAL PROTECTION
CLASS I - HIGH VOLTAGE, EARTH REQUIRED
IP RATING
IP54
APPROVALS
RCM
REPLACEMENT WARRANTY
*3 Years
CARE INSTRUCTIONS
Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface., Do not use strong liquid cleaners, Wipe clean with a dry cloth
