SIERRA TL-SD  
9329501059753

The Sierra table lamp is a rustic and earthy addition to any room. The ceramic base is shaped like an urn and is decorated with a weathered texture, giving it a natural and outdoor feel. The base comes in two finishes, including a grey and a sand option, so you can choose the one that best suits your decor. The fabric drum shade adds a touch of simplicity to the lamp, and diffuses the light to create a warm and inviting atmosphere. This lamp will be a unique addition to any home.
