SKY OY23.3C3D-WH
9329501057100

The Sky oyster collection offers a sleek, modern look for your living space. This LED energy-efficient ceiling light fixture comes in an ultra-thin flush mount frame, making it a perfect fit for low ceilings. The color temperature of the light can be pre-set by a hidden select switch and 3 stage dimming is included by simple wall switch cycles. The white acrylic diffuser softens and scatters the throw of light, and a white or black frame adds a clean, contemporary touch. Perfect for all areas of the home.

Overview
