## SCOPE

SKU:SL98431WH

The practical SCOPE clamp lamp has a flexible goose-neck which can be adjusted to any angle. Most often used as a bedhead or desk lamp, but suitable for other areas where extra task lighting is needed, like a study nook or kitchen pantry. Fitted with a clamp which will hold onto a surface edge of 5-45mm thick, and a long 1500mm cord with a switch 350mm from the lamp itself. We recommend an LED GU10 globe (available seperately). SCOPE is available in a range of colours.
