DESCRIPTION

The Sova family of downlights and close-to-ceiling lights offers a refined indoor lighting solution with low-glare illumination and a high CRI for true-to-colour clarity. Crafted from durable aluminium with integrated LED technology, each piece delivers a warm 3000K glow and is both TRIAC dimmable and power adjustable for tailored lighting control. A sleek, modern choice for a variety of interior spaces.

Yes

APPROVALS

RCM

REPLACEMENT WARRANTY

*5 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
