DESCRIPTION

The Tarell range showcases a sleek, minimalist design in durable iron construction, offered in Antique Gold or Gun Metal finishes. Its slim, contemporary profile makes it ideal for focused task or accent lighting. An integrated 3000K LED provides warm, efficient illumination, while the intuitive gesture-controlled switch allows on/off operation and smooth dimming. A refined blend of modern function and understated style.

REPLACEMENT WARRANTY

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
