DESCRIPTION

The Vexor outdoor wall light pairs a clean aluminium frame with water-textured glass to create a soft, inviting glow. Available in three sizes, it features integrated LED technology with a warm 3000K colour temperature, making it ideal for enhancing exterior walls, entrances and walkways. With an IP44 rating, it is designed for reliable outdoor use while adding a refined architectural touch.

REPLACEMENT WARRANTY

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
