DESCRIPTION

The Vostel exterior wall light offers a clean, contemporary look with the flexibility of one- or two-light configurations and three stylish colourways. Built from robust 316 stainless steel or solid brass, it features integrated LED lighting with a warm 3000K output and an IP65 rating for all-weather durability. Vostel can be installed with the back plate to cover an existing hole or without a plate for a seamless, minimalist finish.

*3 Years

CARE INSTRUCTIONS

Do not use strong liquid cleaners, Wipe clean with a dry cloth, Aluminium, Brass and Stainless Steel will naturally oxidised and change overtime. Exterior products require regular four (4) monthly cleaning and maintenance to ensure they do not accumulate dirt or other environmental deposits. Wipe the product with a mild detergent and warm water to remove surface deposits. Rinse with fresh water and wipe dry with a soft cloth. An extra temporary protection barrier of water displacement oil can help to maintain the surface, such as WD40, sprayed onto a soft cloth and rubbed onto the surface.
